

FROM ASPIRATIONS TO ACHIEVEMENTS GROUP COACHING

**The Measurement of Powerful Leadership Is Not About Achieving Success but
LEADING AUTHENTICALLY**

By participating in the coaching curriculum of twelve sessions, you will:

- Dive into practical tools and exercises to hone your leadership style and capitalize on your strengths
- Embrace your unique leadership style regardless of your gender, to make a lasting impact on others
- Discover key traits that define leadership and why they're critical in today's environment
- Empower yourself to lead with authenticity and inspire those around you to do the same
- Understand how to recognize your own value and advocate for yourself

**Included in the group coaching, participants will also
receive one personal coaching session.**
